

Art In Motion. **“I WANT TO DANCE” Scholarship Winners**
March-May 2011

Thank you all who have participated in our scholarship program. This is a great opportunity for your dancer so remember to apply every session; you never know when you might receive such an honor!

As you know, it is very hard to pick winners from so many talented students. Many applicants had great applications, dreams and goals. These scholarship winners will receive free tuition for one class starting in March and lasting through May. This is a very special achievement and if you know these students, please congratulate them.

Remember your dancing does make a difference!
